Ryan O'Neal

April 20, 1941 —

Ryan O'Neal tried to pick up his own daughter at a funeral.

It wasn't just some funeral: O'Neal was laying to rest Farrah Fawcett, the love of his life. And it wasn't just some daughter: Tatum O'Neal, the youngest Oscar winner ever, recovering drug addict. The two have been estranged for years, so Ryan didn't recognized her. Or so he claims.

Maybe if Tatum was closer to her father, she wouldn't have made a rather glaring mistake in her autobiography. She claimed that Ryan's maternal grandmother was a Russian Jew named Devonovitch. Tatum was mostly off the mark; the grandmother was a German Jew named Plus. But at least she got the most important part right.

That's right, Ryan O'Neal, America's former heartthrob, himself a recovering drug addict, is Halachically Jewish. Maybe he could finally clear that up for Tatum.

Jew Score:

5

About
I am interested in talking about many different things like religion, sociology, history, films, poetry, etc

I have made some short films and some amateur full length feature films.

Hobbies & Interests
you are welcome to watch my films on my channel:

So, lets get this straight:

>Liberals light Trump supporters hair on fire
>Report multiple fake hate crimes
>Burn own black church and spray paint "Trump"
>Block traffic and riot in their own shitty liberal cities
>Harrass Ivanka Trump and children on an airplane
>Light trash cans and Strabucks on fire in DC
>Burn a Muslim Immigrant's limo
>Support Castro, who killed people for speaking out against him

All while calling Trump and his supporters Nazis, even though the Nazi party was socialist.
